FREE For Nonprofit Organizations

Nonprofit organizations are invited to set up in Kardzhali Park for FREE!
Tables, chairs, tents, and any promotional materials must be provided.
Space is limited to the first 50 registrations

It is FREE to participate however, we do ask that you make a effort to form a team for one of the competitions to try to win YOUR organization money.

Most registration fees are \$25 for a five person team. This is only \$5 per person. The more teams that enter, the higher the "jackpot" that you could possibly win. If you don't win, then you "paid it forward" and helped another organization!

Registration deadline: May 1st, 2011
